## Wine n' dine for a cause

**R**ajashree Birla hosted a dinner for those associated with Habitat for Humanity at the ITC Grand Central, Parel on Thursday night.

Bollywood's **John Abraham**, who is closely associated with the project, was there to lend his support. Dressed in a black suit, the dapper looking Abraham found cheerful company in fellow Bollywoodians **Asin** and **R Madhavan** — the three were seen having a wonderful time together. **Rick Hathaway** and **Fernando Zobel Ayala**, both from the organisation, were also present at the dinner as were a number of names from the corporate world such as **Asit** and **Kanan Koticha**, **Elina Meswani** and **Sanjay Nayar**.
